

# Childcare Fee Structure

The following figures illustrate the cost for parents with differing circumstances and childcare requirements. The CRF (Community Regeneration Fund) refers to parents living and working or training in the area and the NON CRF applies to parents who fall outside of the CRF area and relevant income bracket.

N.B. The CRF area represents the area shown on the Community Map (North Edinburgh Trust). If you require clarification as to whether your address is located within the CRF area, please contact us.

North Edinburgh Childcare is a Partner Provider with City of Edinburgh Council and Pre-School Education Funding is available for children between the ages of 3 and 5 at a rate of £3.90 per session, with a maximum of 5 sessions per week and is calculated over a 50 week year.

Childcare Fees are calculated over 50 weeks of the year to account for closure on public holidays.
